

Statistics

Statistics 1 Changes in the sibling composition (page 3, Figure 1)

	Total	Only child	Younger sibling(s) only	Both elder and younger siblings	Elder sibling(s) only
1st survey	33 568	16 367	.	.	17 201
2nd survey	33 568	15 504	869	326	16 869
3rd survey	33 568	11 463	4 919	1 442	15 744
4th survey	33 568	8 076	8 309	2 284	14 899
5th survey	33 568	6 359	10 051	2 823	14 335
6th survey	33 568	5 445	10 975	3 198	13 950
7th survey	33 568	4 778	11 657	3 553	13 580

Note: The figures are based on the total number of responses in the 1st through 7th surveys, excluding the those to “unknown” concerning sibling composition.

Statistics 2 Changes in the proportion of employed and unemployed mothers (page 4, Figure 2)

	Total	Unemployed	Employed	Unknown
1 year prior to childbirth	33 266	14 900	18 123	243
1st survey (6 months after childbirth)	33 266	24 606	8 351	309
2nd survey	33 266	23 031	10 080	155
3rd survey	33 266	21 763	11 311	192
4th survey	33 266	19 354	13 576	336
5th survey	33 266	17 325	15 379	562
6th survey	33 266	15 909	16 994	363
7th survey	33 266	14 426	18 561	279

Note: The figures are based on the total number of responses with children living with their mothers in the 1st through 7th surveys.

Statistics 3 Employment status of mothers in relation to the existence of younger sibling(s) and sibling composition (page 4, Table 1)

Statistics 3 Employment status of mothers in relation to the existence of younger sibling(s) and sibling composition (page 4, Table 1)

		Total	Unemployed	Employed	Full-time worker	Part-time worker	Self-employed worker/Family worker	Pieceworker at home	Others	Unknown
Existence of younger sibling(s)	Total	36 529	15 638	20 554	6 306	11 040	2 174	708	326	337
	Without younger sibling	19 906	7 031	12 657	3 687	7 190	1 264	331	185	218
	With younger sibling(s)	16 623	8 607	7 897	2 619	3 850	910	377	141	119
	Age of the youngest sibling: 0 year old	1 400	933	459	229	123	76	8	23	8
	1 year old	1 973	1 202	756	309	295	101	29	22	15
	2 years old	2 461	1 417	1 028	374	449	138	50	17	16
	3 years old	3 521	1 896	1 595	571	740	178	83	23	30
	4 or 6 years old	7 259	3 154	4 055	1 136	2 239	417	207	56	50
Sibling composition	(Without younger sibling)									
	Only child	5 155	1 968	3 113	1 120	1 602	264	67	60	74
	Elder sibling(s) only	14 751	5 063	9 544	2 567	5 588	1 000	264	125	144
	(With younger sibling(s))									
	Younger sibling(s) only	12 673	6 728	5 856	2 039	2 865	583	264	105	89
Both elder and younger siblings	3 950	1 879	2 041	580	985	327	113	36	30	

Notes: 1) The figures are based on the total number of responses with children living with their mothers in the 7th survey.

2) “With younger sibling(s)” includes “Age of the youngest sibling: unknown”.

3) “Full-time worker” indicates “employee (full-time)” and “part-time worker” indicates “employee (part-time)”.

Statistics 4 Changes in the employment status of mothers (page 5, Figure 3-1)

	Total	Unemployed	Employed	Full-time worker	Part-time worker	Self-employed worker/family worker, pieceworker at home,	Unknown
1 year prior to childbirth	33 266	14 900	18 123	10 799	5 425	1 899	243
1st survey (6 months after childbirth)	33 266	24 606	8 351	5 282	1 224	1 845	309
2nd survey	33 266	23 031	10 080	5 007	3 044	2 029	155
3rd survey	33 266	21 763	11 311	.	.	.	192
4th survey	33 266	19 354	13 576	5 141	5 688	2 747	336
5th survey	33 266	17 325	15 379	5 308	7 182	2 889	562
6th survey	33 266	15 909	16 994	5 486	8 496	3 012	363
7th survey	33 266	14 426	18 561	5 632	10 003	2 926	279

Notes: 1) The figures are based on the total number of responses with children living with their mothers in the 1st through 7th surveys.

2) The employment status of mothers was not investigated in the 3rd survey.

3) "Full-time worker" indicates "employee (full-time)" and "part-time worker" indicates "employee (part-time)".

Statistics 5 Changes in the employment status of mothers who worked as "full-time workers" one year prior to childbirth (page 5, Figure 3-2)

	Total	Full-time worker	Part-time worker	Self-employed worker/family worker, pieceworker at home, others	Unemployed	Unknown
1 year prior to childbirth	10 799	10 799
1st survey (6 months after childbirth)	10 799	5 149	242	127	5 261	20
2nd survey	10 799	4 597	853	241	5 062	46
4th survey	10 799	4 323	1 501	467	4 422	86
5th survey	10 799	4 330	1 829	482	4 013	145
6th survey	10 799	4 304	2 131	510	3 741	113
7th survey	10 799	4 201	2 450	578	3 491	79

Notes: 1) The figures are based on the total number of responses with children living with their mothers in the 1st through 7th surveys.

2) The employment status of mothers was not investigated in the 3rd survey.

3) "Full-time worker" indicates "employee (full-time)" and "part-time worker" indicates "employee (part-time)".

Statistics 6 Changes in the employment status of mothers according to the attendance at nursery school/kindergarten in the 5th survey (page 6, Figure 4)

	Total	Unemployed	Employed Unknown	Full-time worker	Part-time worker	Self-employed worker/family worker, pieceworker at home, others	Unknown
Total							
5th survey	34 391	17 787	16 000	5 542	7 473	2 985	604
6th survey	34 391	16 367	17 639	5 730	8 809	3 100	385
7th survey	34 391	14 848	19 248	5 873	10 358	3 017	295
(Previously reported) Nursery school							
5th survey	13 077	2 194	10 668	4 376	4 810	1 482	215
6th survey	13 077	2 033	10 900	4 508	4 958	1 434	144
7th survey	13 077	2 230	10 720	4 460	4 927	1 333	127
(Previously reported) Kindergarten							
5th survey	17 667	12 782	4 543	953	2 315	1 275	342
6th survey	17 667	11 856	5 589	991	3 228	1 370	222
7th survey	17 667	10 407	7 125	1 147	4 554	1 424	135

Notes: 1) The figures are based on the total number of responses with children living with their mothers in the 5th through 7th surveys.

2) In "attendance at nursery school/kindergarten in the 5th survey", "Nursery school" refers to children who only went to nursery schools, and "Kindergarten" refers to those who only went to kindergartens.

3) "Full-time worker" indicates "employee (full-time)" and "part-time worker" indicates "employee (part-time)".

Statistics 7 Relationship with grandparents and neighbors according to the employment status of mothers (page 7, Figure 5)

	Total	Relationship with grandparents				Relationship with neighbors			
		They cooperate substantially in child rearing	They cooperate from time to time	No grandparents; scarce or no cooperation	Unkown	They cooperate substantially in child rearing	They cooperate from time to time	No grandparents; scarce or no cooperation	Unknown
Total	36 529	13 037	17 113	6 012	367	2 301	15 700	16 333	2 195
Unemployed	15 638	3 978	8 279	3 225	156	1 030	7 093	6 706	809
Employed	20 554	8 939	8 694	2 721	200	1 252	8 475	9 486	1 341
Full-time worker	6 306	3 778	1 880	595	53	343	2 320	3 176	467
Part-time worker	11 040	3 992	5 284	1 644	120	693	4 748	4 911	688
Self-employed worker/family worker	2 174	864	999	290	21	153	902	976	143
Pieceworker at home	708	181	384	140	3	45	360	285	18
Others	326	124	147	52	3	18	145	138	25
Unknown	337	120	140	66	11	19	132	141	45

Notes: 1) The figures are based on the total number of responses with children living with their mothers in the 7th surveys.

2) Replies to "Relationship with grandparents" include both grandparents who live together and who live separately.

3) "Full-time worker" indicates "employee (full-time)" and "part-time worker" indicates "employee (part-time)".

Statistics 8 Specific cooperation from grandparents according to the employment status of mothers (multiple answers) (page 8, Table 2)

	Total	Areas of cooperation from grandparents (multiple answers)						
		Take care of children (e.g. feeding, bathing, playing together etc.)	Take care of children when they are sick	Take care of children when a parent is ill etc.	Take care of children when a parent is temporarily preoccupied	Provide financial support	Others	Unknown
		[They cooperate substantially in child rearing]						
Total	13 037	10 377	7 101	7 523	10 755	3 800	991	15
Unemployed	3 978	2 965	1 405	2 561	3 538	1 420	205	3
Employed	8 939	7 324	5 629	4 893	7 127	2 343	780	12
Full-time worker	3 778	3 282	2 915	1 981	2 799	702	394	7
Part-time worker	3 992	3 094	2 229	2 215	3 332	1 276	308	4
Self-employed worker/family worker	864	708	349	510	727	262	63	-
Pieceworker at home	181	138	70	118	164	65	3	-
Others	124	102	66	69	105	38	12	1
Unknown	120	88	67	69	90	37	6	-
		[They cooperate from time to time]						
Total	17 113	6 409	2 983	4 795	13 021	3 557	1 136	76
Unemployed	8 279	3 183	689	2 617	6 152	1 881	558	46
Employed	8 694	3 182	2 266	2 145	6 773	1 644	569	28
Full-time worker	1 880	708	849	376	1 373	205	162	8
Part-time worker	5 284	1 910	1 278	1 338	4 173	1 131	310	13
Self-employed worker/family worker	999	383	93	252	807	190	61	4
Pieceworker at home	384	129	27	135	304	90	22	3
Others	147	52	19	44	116	28	14	-
Unknown	140	44	28	33	96	32	9	2

Notes: 1) The figures are based on the total number of responses to "They cooperate substantially in child rearing" and "They cooperate from time to time" respectively, with regards to children living with their mothers in the 7th survey.

2) Responses to "Relationship with grandparents" include both grandparents who live together and who live separately.

3) "Full-time worker" indicates "employee (full-time)" and "part-time worker" indicates "employee (part-time)".

Statistics 9 Employment status in the 7th survey according to whether mothers lived together with or separately from grandparents in the 2nd survey (page 9, Figure 6)

Employment status of mothers in the 2nd survey Employment status of mothers in the 7th survey	Total			Mothers lived together with grandparents in the 2nd survey			Mothers lived separately from grandparents in the 2nd survey		
	Total	Mothers lived together with grandparents in the 7th survey	Mothers lived separately from grandparents in the 7th survey	Total	Mothers lived together with grandparents in the 7th survey	Mothers lived separately from grandparents in the 7th survey	Total	Mothers lived together with grandparents in the 7th survey	Mothers lived separately from grandparents in the 7th survey

Employed	99	39	60	32	28	4	67	11	56
Unknown	4	1	3	2	1	1	2	-	2

Notes: 1) The figures are based on the total number of responses with children living with their mothers in the 2nd and 7th surveys.

2) Mothers "lived separately" from grandparents in the 7th survey" include respondents with whom it was unknown whether they live together with or separately from grandparents.

Statistics 10 Wakeup times and bedtimes of children (page 10, Figure 7)

[Wakeup time]

	Total	Before 7:00 am	7:00-7:59 am	8:00-8:59 am	After 9:00 am	Irregular	Unknown
5th survey	34 835	8 777	21 097	3 807	344	742	68
6th survey	34 835	10 395	21 388	2 856	50	52	94
7th survey							
School days	34 835	26 761	7 924	21	3	8	118
Sundays	34 835	10 409	17 250	5 812	592	609	163

[Bedtime]

	Total	Before 9:00 pm	9:00-9:59 pm	10:00-10:59 pm	After 11:00 pm	Irregular	Unknown
5th survey	34 835	6 662	17 609	7 469	1 173	1 694	228
6th survey	34 835	7 829	19 294	6 576	698	239	199
7th survey							
School days	34 835	8 725	21 868	3 751	221	108	162
Saturdays	34 835	4 237	18 274	9 952	1 537	637	198

Notes: 1) The figures are based on the total number of responses in the 5th through 7th surveys.

2) Wakeup time and bedtime in the status of "ordinary days" were investigated in the 5th and 6th surveys.

Statistics 11 Children's bedtimes according to the attendance at nursery school/kindergarten in the 5th survey (page 11, Figure 8)

	Bedtimes on ordinary (attendance) days						
	Total	Before 9:00 pm	9:00-9:59 pm	10:00-10:59 pm	After 11:00 pm	Irregular	Unknown
6th survey							
Total	34 835	7 829	19 294	6 576	698	239	199
(Previously reported) Nursery school	13 322	1 355	7 406	3 912	463	107	79
(Previously reported) Kindergarten	17 814	5 522	9 861	2 056	180	93	102
7th survey							
Total	34 835	8 725	21 868	3 751	221	108	162
(Previously reported) Nursery school	13 322	2 304	8 789	2 001	117	42	69
(Previously reported) Kindergarten	17 814	5 384	10 826	1 396	87	45	76

Notes: 1) The figures are based on the total number of responses in the 5th through 7th surveys

2) In "attendance at nursery school/kindergarten in the 5th survey", "Nursery school" refers to children who only went to nursery schools, and "Kindergarten" refers to those who only went to kindergartens.

3) "Ordinary days" was used for the 6th survey, and "school days" for the 7th survey.

Statistics 12 Where children spend time after school according to the employment status of mothers, and by cities or more remote areas (multiple answers) (page 12, Figure 9)

	Total	Where children spend time after nursery school/kindergarten (multiple answers)						
		Home	After-school care center	Children's friends' houses	Lessons, sport clubs, cram school etc.	Outdoors (parks etc.)	Others	Unknown
Total	36 529	28 130	9 343	15 175	13 124	15 585	2 930	42
Unemployed	15 638	14 379	950	8 255	7 289	8 811	977	13

(Previously reported) Full-time worker	4 330	2 151	2 356	894	729	788	553	9
(Previously reported) Part-time worker	7 471	5 316	2 720	2 808	2 196	2 724	506	5
More remote areas	3 636	2 807	900	1 408	952	1 245	313	4
(Previously reported) Full-time worker	792	465	337	183	103	161	113	1
(Previously reported) Part-time worker	1 216	882	408	413	301	347	106	1

Notes: 1) The figures are based on the total number of responses with children living with their mothers in the 7th surveys.

2) The subject children lived in the following places, at the time of the 7th survey.

"18 major cities": ward areas in Tokyo; Sapporo, Sendai, Saitama, Chiba, Yokohama, Kawasaki, Niigata, Shizuoka, Hamamatsu, Nagoya, Kyoto, Osaka, Sakai, Kobe, Hiroshima, Kitakyushu and Fukuoka cities.

"Other cities": cities not included in "18 major cities"

"More remote areas": Areas not included in "18 major cities" or "Other cities"

3) The total includes subjects living in foreign countries.

4) "Full-time worker" indicates "employee (full-time)" and "part-time worker" indicates "employee (part-time)".

Statistics 13 Changes in children who were taking lessons according to the attendance at nursery school/kindergarten in the 5th survey (page 13, Figure 10)

		7th survey								
		Total	Not taking lessons	Taking lessons	Total	Not taking lessons	Taking lessons	Total	Not taking lessons	Taking lessons
6th survey	Total	Total			(Previously reported) Nursery school			(Previously reported) Kindergarten		
	Not taking lessons	34 624	8 460	26 164	13 235	4 304	8 931	17 709	2 921	14 788
	Taking lessons	14 878	7 110	7 768	7 606	3 811	3 795	5 245	2 206	3 039
		19 746	1 350	18 396	5 629	493	5 136	12 464	715	11 749

Notes: 1) The figures are based on the total number of responses in the 5th through 7th surveys, and who replied to "Lessons etc." in the 6th and 7th surveys.

2) In "attendance at nursery school/kindergarten in the 5th survey", "Nursery school" refers to children who only went to nursery schools, and "Kindergarten" refers to those who only went to kindergartens.

Statistics 14 Breakdown of the lessons by sex (multiple answers) (page 13, Figure 11)

	Total	Taking lessons	Breakdown of the lessons (multiple answers)																Not taking lessons	Unknown		
			Gymnastics	Swimming	Baseball/soft ball	Soccer	Tennis	Marital arts such as judo and kendo	Ballet/dancing	English conversation (incl. other languages)	Abacus	Calligraphy (incl. pen and/or pencil calligraphy)	Music (piano, etc.)	Painting/craftwork	Flower arrangement/tea ceremony	Cram school	Tutorage	Correspondence course			Others	Unknown
Total	36 785	27 546	2 306	11 320	805	2 779	517	2 377	2 330	5 002	1 636	4 205	8 205	685	167	3 931	54	4 297	2 418	33	9 137	102
Boys	19 088	13 863	1 257	6 549	757	2 660	273	1 892	155	2 281	795	1 669	1 839	308	32	2 130	30	2 223	1 260	17	5 166	59

Note: The figures are based on the total number of responses in the 7th survey.

Statistics 15 Changes in hours spent watching TV in the 7th survey according to hours in the 6th survey (page 14, Figure 12)

		Hours spent watching TV in the 7th survey				
		Total	Less than 1 hour	1 to less than 2 hours	2 to less than 3 hours	3 hours or more
Hours spent watching TV "on ordinary days" in the 6th survey	Total	34 354	9 025	15 837	7 267	2 225
	Less than 1 hour	5 365	3 413	1 722	203	27
	1 to less than 2 hours	14 075	4 212	7 879	1 761	223
	2 to less than 3 hours	9 795	1 115	4 776	3 243	661
	3 hours or more	5 119	285	1 460	2 060	1 314

Note: The figures are based on the total number of responses in the 6th and 7th surveys, who replied that they watched TV both "on ordinary days" in the 6th survey and "on school days" in the 7th survey.

Statistics 16 Children's bedtimes according to hours spent watching TV on school days (page 14, Figure 13)

		Bedtimes on school days						
		Total	Before 9:00 pm	9:00-9:59 pm	10:00-10:59 pm	After 11:00 pm	Irregular	Unknown
Hours spent watching TV on school days	Total	36 785	9 140	23 089	4 018	245	118	175
	Do not watch TV	868	403	402	49	6	3	5
	Watch TV	35 779	8 719	22 646	3 955	238	115	106
	Less than 1 hour	9 501	3 299	5 542	595	24	13	28
	1 to less than 2 hours	16 412	3 907	10 683	1 666	67	40	49
	2 to less than 3 hours	7 535	1 249	5 003	1 143	77	39	24
	3 hours or more	2 331	264	1 418	551	70	23	5
	Unknown	138	18	41	14	1	-	64

Note: The figures are based on the total number of responses in the 7th survey.

Statistics 17 Changes in the status of playing computer games (page 15, Figure 14)

		7th survey		
		Total	Do not play computer games	Play computer games
6th survey	Total	35 065	9 220	25 845
	Do not play computer games	17 353	7 409	9 944
	Play computer games	17 712	1 811	15 901

- Notes: 1) The figures are based on the total number of responses to "hours spent playing computer games" in the 6th and 7th surveys.
 2) "Play computer games" in the 6th survey indicates children who played computer games "on ordinary days" and/or "on Sundays".
 3) "Play computer games" in the 7th survey indicates children who played computer games "on school days" and/or "on holidays".

Statistics 18 Children's bedtimes according to hours spent playing computer games on school days (page 15, Figure 15)

		Bedtimes on school days						
		Total	Before 9:00 pm	9:00-9:59 pm	10:00-10:59 pm	After 11:00 pm	Irregular	Unknown
Hours spent playing computer games on school days	Total	36 785	9 140	23 089	4 018	245	118	175
	Do not play computer games	15 854	4 798	9 512	1 398	61	37	48
	Play computer games	20 583	4 273	13 402	2 583	183	80	62
	Less than 1 hour	15 131	3 508	9 886	1 582	78	40	37
	1 to less than 2 hours	4 732	696	3 114	802	72	27	21
	2 hours or more	720	69	402	199	33	13	4
	Unknown	348	69	175	37	1	1	65

Note: The figures are based on the total number of responses in the 7th survey.

Statistics 19 Changes in major illnesses and injuries (multiple answers) seen by hospitals and clinics (page 16, Figure 16)

Statistics 19 Changes in major illnesses and injuries seen by hospitals and clinics (multiple answers) (page 16, Figure 16)

	2nd survey	3rd survey	4th survey	5th survey	6th survey	7th survey
Total	33 707	33 707	33 707	33 707	33 707	33 707
Having illnesses and injuries seen by hospitals and clinics (Previously reported)	31 961	31 722	31 635	32 315	32 297	30 590

Having no illnesses and injuries seen by hospitals and clinics	945	1 556	1 771	650	693	2 227
Unknown	801	429	301	742	717	890

Notes: 1) The figures are based on the total responses in the 2nd through 7th surveys.

- 3) Figures for the 7th survey include seeing by hospitals and clinics over the 18 months.
 3) "Cold, pharyngitis, tonsillitis, bronchitis, pneumonia" was investigated as "cold, bronchitis, pneumonia" in the 2nd survey.
 4) "Decayed teeth", "allergic rhinitis, allergic conjunctivitis", and "influenza" were not investigated in the 2nd survey.
 5) "Digestive diseases including gastroenteritis, diarrhea, stomach ache, constipation" was investigated as "diarrhea, stomach ache, constipation" in the 2nd survey.
 6) "Consultation on development and/or behavior" was not researched for the 2nd through 4th surveys.

Statistics 20 Changes in hours spent with fathers on weekdays (page 17, Figure 17)

Statistics 20 Changes in hours spent with fathers on weekdays (page 17, Figure 17)

	Total	Less than half hour	Half to less than 1 hours	1 to less than 2 hours	2 to less than 4 hours	4 to less than 6 hours	6 hours or more	Unknown
2nd survey	32 588	5 160	4 116	7 005	10 812	3 819	706	970
5th survey	32 588	6 874	4 654	7 704	9 332	2 778	504	742
7th survey	32 588	7 439	6 191	7 499	8 260	2 174	480	545

Notes: 1) The figures are based on the total number of responses with children living with their fathers in the 2nd survey, 5th survey and 7th survey.

2) "Less than half hour" includes "no time spent with fathers".

Statistics 21 Hours spent with fathers on weekdays according to fathers' time to return home (page 17, Table 3)

Statistics 21 Hours spent with fathers on weekdays according to fathers' time to return home (page 17, Table 3)
