Sum up of radionuclide test results reported in FY2014 (Up-to-date Report as of 9 Nobember 2014)

1) The products which are exceeding limits will be taken appropriate measures, such as disposing.

2) The underlined items indicate marketed products, which is informed at the reporting of test results.

Not elsewhere specified, the items are marketed within the prefecture of production.

3) Items which are exceeding limits are divided between " items which are not under cultivation/feeding management"

and "items which are under cultivation/feeding management", just for reference.

and items wi		invarion/leeun	ng managemen	t", just for reference.	
Food origin	Food group	Number of food samples tested	Number of foods positive at levels exceeding limits (action levels)	Food concerned (numbers)
