

Press Release (This is provisional translation. Please refer to the original text written in Japanese.)

April 22, 2011

Policy Planning and Communication Division,
Inspection and Safety Division,
Department of Food Safety

To Press and those who may concern,

Cancellation of Instruction to restrict distribution of spinach, qing-geng-cai, garland chrysanthemum, sanchu asian lettuce, celery and parsley produced in parts of Chiba Prefecture, in relation to the accident at Fukushima Nuclear Power Plant

·As of 4 April 2011, the concepts of establishing and cancelling items and areas to which the restriction of distribution and/or consumption of foods concerned applies have been announced as the countermeasure policy of the Nuclear Emergency Response Headquarters.

·As of 4 April, based on the policy, the Nuclear Emergency Response Headquarters has issued the instruction to Chiba prefecture, ordering restriction of distribution of foods concerned produced in parts of the prefecture.

·Based on the policy, today, the application for the cancellation of Instructions on the restriction of distribution of foods concerned was submitted by Chiba Prefecture to the Nuclear Emergency Response Headquarters, following the consultation both with the Ministry of Health, Labour and Welfare and the Ministry of Agriculture, Forestry and Fishery.

·Based on the results of inspections conducted until today, the application was recognized as applicable to the concepts of establishing and cancelling items and areas to which the restriction of distribution of foods concerned applies. Hence, the Nuclear Emergency Response Headquarters has cancelled its Instruction on the restriction of distribution of food concerned for Chiba Prefecture.

- 1 With regard to Chiba Prefecture, the restriction of distribution of spinach produced in Katori-shi, Tako-machi, and Asahi-shi and qing-geng-cai, garland chrysanthemum, sanchu asian lettuce, celery and parsley produced in Asahi-shi instructed on April 4 was cancelled today.
 - (1) The Instruction of the Nuclear Emergency Response Headquarters is attached as attachment 1
 - (2) The application of Chiba Prefecture is attached as attachment 2
- 2 The list of the Instructions on the restriction of distribution and/or consumption of food concerned in accordance with the Act on Special Measures Concerning Nuclear Emergency Preparedness is attached as reference.

Article 20

(3) In addition to the instructions under the provisions of the preceding paragraph, when the director-general of the nuclear emergency response headquarters finds it especially necessary for implementing emergency response measures accurately and promptly in the emergency response measures implementation area covered by said nuclear emergency response headquarters, he/she may, within the limit necessary, give necessary instructions to the heads of the relevant designated administrative organs and the heads of the relevant designated local administrative organs, and the officials of said designated administrative organs and the officials of said designated local administrative organs to whom his/her authority has been delegated pursuant to the provisions of the preceding Article, the heads of local governments and other executive organs, designated public institutions and designated local public institutions, and nuclear operators.

Attachment 2: omitted

(Attachment1)

Instruction

22 April 2011

From Director-General of the Nuclear Emergency Response Headquarters
To Governor of Chiba Prefecture,

The Instruction to the Prefecture on April 4 2011 based on the Article 20.3 of the Act on Special Measures Concerning Nuclear Emergency Preparedness (Act No. 156, 1999) shall be cancelled.
