

Press Release (This is provisional translation. Please refer to the original text written in Japanese.)

November 28, 2023
Food Inspection and Safety Division,
Public Health Bureau

To Press and those who may concern,

Removal of the restriction on the distribution and consumption of food based on the Act on Special Measures Concerning Nuclear Emergency Preparedness, direction of Director-General of the Nuclear Emergency Response Headquarters

Today, the Nuclear Emergency Response Headquarters has removed the restriction on the distribution and consumption as follows:

- (1) Wild mushrooms (limiting to pholiota nameko, honey mushroom and late fall oyster mushroom) picked in Fukushima prefecture (limiting to municipalities where Instruction of restriction of distribution and consumption are ordered) (limiting to which are controlled under the policy for shipment and inspection set by Fukushima prefecture) (*).
- (2) Brick cap produced in Sakura-city (limiting to log-grown brick cap (outdoor cultivation) controlled under the management policy set by Tochigi prefecture)

* Result of screening analysis by non-destructive equipment, wild mushrooms (limiting to pholiota nameko, honey mushroom and late fall oyster mushroom) which are lower than screening level is available for distribution and consumption.

1. With regard to Fukushima prefecture, the restriction on distribution and consumption of wild mushrooms (limiting to pholiota nameko, honey mushroom and late fall oyster mushroom) picked in Fukushima prefecture (limiting to municipalities where Instruction of restriction of distribution and consumption are ordered) (limiting to which are controlled under the policy for shipment and inspection set by Fukushima prefecture) has been removed today.

- (1) The instruction by the Nuclear Emergency Response Headquarters: Attachment 1
- (2) The applications from Fukushima prefecture: Attachment 2 [omitted]

2. With regard to Tochigi prefecture, the restriction on distribution of brick cap produced in Sakuracity (limiting to log-grown brick cap (outdoor cultivation) controlled under the management policy set by Tochigi prefecture) has been removed today.
 - (1) The instruction by the Nuclear Emergency Response Headquarters: Attachment 3
 - (2) The applications from Tochigi prefecture: Attachment 4 [omitted]
3. The list of the instructions to restrict the distribution and/or the consumption of food in accordance with the Act on Special Measures Concerning Nuclear Emergency Preparedness: Reference [omitted]

Instruction

November 28, 2023

From Director-General of the Nuclear Emergency Response Headquarters
To Governor of Fukushima Prefecture,

The Instruction to the Prefecture on August 8, 2023 based on the Article 20.2 of the Act on Special Measures Concerning Nuclear Emergency Preparedness (Act No. 156, 1999) shall be changed as follows.

1. Restrictive requirements shall apply to heads of relevant municipalities, food business operators concerned and residents not to consume and distribute any non-head type leafy vegetable produced in Minamisoma-city (limiting to “Restricted area” designated by the Instruction on March 30, 2012), Tomioka-town (limiting to “Restricted area” designated by the Instruction on March 7, 2013 (excluding "Specific Reconstruction Reproduction Base Area" designated on March 9, 2018)), Okuma-town (limiting to “Restricted area” designated by the Instruction on November 30, 2012 (excluding "Specific Reconstruction Reproduction Base Area" designated on November 10, 2017)), Futaba-town (limiting to “Restricted area” designated by the Instruction on May 7, 2013 (excluding “Specific Reconstruction Reproduction Base Area” designated on September 15, 2017)), Namie-town (limiting to “Restricted area” designated by the Instruction on March 7, 2013 (excluding "Specific Reconstruction Reproduction Base Area" designated on December 22, 2017)), Katsurao-village (limiting to “Restricted area” designated by the Instruction on March 7, 2013 (excluding "Specific Reconstruction Reproduction Base Area" designated on May 11, 2018)) and Iitate-village (limiting to “Restricted area” designated by the Instruction on June 15, 2012), for the time being.
2. Restrictive requirements shall apply to heads of relevant municipalities, food business operators concerned and residents not to consume and distribute any head type leafy vegetable produced in Minamisoma-city (limiting to “Restricted area” designated by the Instruction on March 30, 2012), Tomioka-town (limiting to “Restricted area” designated by the Instruction on March 7, 2013 (excluding "Specific Reconstruction Reproduction Base Area" designated on March 9, 2018)), Okuma-town (limiting to “Restricted area” designated by the Instruction on November 30, 2012 (excluding "Specific Reconstruction Reproduction Base Area" designated on November 10, 2017)), Futaba-town (limiting to “Restricted area” designated by the Instruction on May 7, 2013 (excluding “Specific Reconstruction Reproduction Base Area” designated on September 15, 2017)), Namie-town (limiting to “Restricted area” designated by the Instruction on March 7, 2013 (excluding "Specific Reconstruction Reproduction Base Area" designated on December 22, 2017)), Katsurao-village (limiting to “Restricted area” designated by the Instruction on March 7, 2013 (excluding "Specific Reconstruction Reproduction Base Area" designated on May 11, 2018)) and Iitate-village (limiting to “Restricted area” designated by the Instruction on June 15, 2012), for the time being.
3. Restrictive requirements shall apply to heads of relevant municipalities, food business operators concerned and residents not to consume and distribute any flowerhead brassica produced in Minamisoma-city (limiting to “Restricted area” designated by the Instruction on March 30, 2012), Tomioka-town, (limiting to “Restricted area” designated by the Instruction on March 7, 2013 (excluding "Specific Reconstruction Reproduction Base Area" designated on March 9, 2018)) Okuma-town (limiting to “Restricted area” designated by the Instruction on November 30, 2012 (excluding "Specific Reconstruction Reproduction Base Area" designated on November 10, 2017)), Futaba-town (limiting to “Restricted area” designated by the Instruction on May 7, 2013 (excluding

“Specific Reconstruction Reproduction Base Area” designated on September 15, 2017)), Namie-town (limiting to “Restricted area” designated by the Instruction on March 7, 2013 (excluding “Specific Reconstruction Reproduction Base Area” designated on December 22, 2017)), Katsurao-village (limiting to “Restricted area” designated by the Instruction on March 7, 2013 (excluding “Specific Reconstruction Reproduction Base Area” designated on May 11, 2018)) and Iitate-village (limiting to “Restricted area” designated by the Instruction on June 15, 2012), for the time being.

4. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any turnip produced in Minamisoma-city (limiting to “Restricted area” designated by the Instruction on March 30, 2012), Tomioka-town (limiting to “Restricted area” designated by the Instruction on March 7, 2013 (excluding “Specific Reconstruction Reproduction Base Area” designated on March 9, 2018)), Okuma-town (limiting to “Restricted area” designated by the Instruction on November 30, 2012 (excluding “Specific Reconstruction Reproduction Base Area” designated on November 10, 2017)), Futaba-town (limiting to “Restricted area” designated by the Instruction on May 7, 2013 (excluding “Specific Reconstruction Reproduction Base Area” designated on September 15, 2017)), Namie-town (limiting to “Restricted area” designated by the Instruction on March 7, 2013 (excluding “Specific Reconstruction Reproduction Base Area” designated on December 22, 2017)), Katsurao-village (limiting to “Restricted area” designated by the Instruction on March 7, 2013 (excluding “Specific Reconstruction Reproduction Base Area” designated on May 11, 2018)) and Iitate-village (limiting to “Restricted area” designated by the Instruction on June 15, 2012), for the time being.
5. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any Japanese apricot (Ume) produced in Minamisoma-city (limiting to “Restricted area” designated by the Instruction on March 30 2012) for the time being.
6. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any Yuzu produced in Minamisoma-city (limiting to “Restricted area” designated by the Instruction on March 30, 2012) for the time being.
7. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any chestnut produced in Minamisoma-city (limiting to “Restricted area” designated by the Instruction on March 30, 2012) for the time being.
8. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any kiwi fruit produced in Minamisoma-city (limiting to “Restricted area” designated by the Instruction on March 30 2012) for the time being.
9. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any rice produced in Fukushima-city (limiting to former Fukushima-city and former Oguni-village area), Nihonmatsu-city (limiting to former Shibukawa-village area) and Date-city (limiting to former Sekimoto-village, former Hashirazawa-village, former Tominari-village, former Kakeda-town, former Oguni-village and former Tsukidate-town area) in 2011, for the time being.
10. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any rice produced in areas subjected to restriction of distribution in advance in 2012 (including Koriyama-city (limiting to former Fukuyama-town), Sukagawa-city (limiting to former Nishifukuro-village), Miharu-town (limiting to former Sawaishi-village), Otama-village (limiting to former Tamanoi-village), Fukushima-city (limiting to former Mizuhara-village and Tatsugoyama-village), Iwaki-city (limiting to former Yamada-village) and Kawamata-town (limiting to former Iizaka-village), for the time being; provided, however, that these shall not apply to rice produced in 2012, which is controlled under the management policy set by Fukushima prefecture.

11. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any rice produced in areas preparing for resumption of rice farming and areas where all rice farming and shipment are managed by local governments in 2013; provided, however, that these shall not apply to rice which is controlled under the management policy set by Fukushima prefecture.
12. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any rice produced in Minamisoma-city (limiting to areas except “Restricted area” designated by the Instruction on March 30 2012), Kawamata-town (limiting to “Areas in which the residents are not permitted to live” and “Areas to which evacuation orders are ready to be lifted” designated by the Instruction on August 7 2013), Naraha-town, Tomioka-town (limiting to areas except “Restricted area” designated by the Instruction on March 7 2013), Okuma-town (limiting to areas except “Restricted area” designated by the Instruction on November 30 2012), Futaba-town (limiting to areas except “Restricted area” designated by the Instruction on May 7 2013), Namie-town (limiting to areas except “Restricted area” designated by the Instruction on March 7 2013), Kawauchi-village (limiting to “Areas in which the residents are not permitted to live” and “Areas to which evacuation orders are ready to be lifted” designated by the Instruction on March 30 2012), Katsurao-village (limiting to areas except “Restricted area” designated by the Instruction on March 7 2013) and Iitate-village (limiting to areas except “Restricted area” designated by the Instruction on June 15 2012) in 2014; provided, however, that these shall not apply to rice which is controlled under the management policy set by Fukushima prefecture.
13. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any rice produced in Minamisoma-city (limiting to “Areas in which the residents are not permitted to live” and “Areas to which evacuation orders are ready to be lifted” designated by the Instruction on March 30, 2012), Kawamata-town (limiting to “Areas in which the residents are not permitted to live” and “Areas to which evacuation orders are ready to be lifted” designated by the Instruction on August 7, 2013), Naraha-town, Tomioka-town (limiting to areas except “Restricted area” designated by the Instruction on March 7, 2013), Okuma-town (limiting to areas except “Restricted area” designated by the Instruction on November 30, 2012), Futaba-town (limiting to areas except “Restricted area” designated by the Instruction on May 7, 2013), Namie-town (limiting to areas except “Restricted area” designated by the Instruction on March 7, 2013), Kawauchi-village (limiting to “Areas in which the residents are not permitted to live” and “Areas to which evacuation orders are ready to be lifted” designated by the Instruction on March 30, 2012), Katsurao-village (limiting to areas except “Restricted area” designated by the Instruction on March 7, 2013) and Iitate-village (limiting to areas except “Restricted area” designated by the Instruction on June 15, 2012) in 2015; provided, however, that these shall not apply to rice which is controlled under the management policy set by Fukushima prefecture.
14. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any rice produced in Minamisoma-city (limiting to “Areas in which the residents are not permitted to live” and “Areas to which evacuation orders are ready to be lifted” designated by the Instruction on March 30, 2012), Kawamata-town (limiting to “Areas in which the residents are not permitted to live” and “Areas to which evacuation orders are ready to be lifted” designated by the Instruction on August 7, 2013), Naraha-town, Tomioka-town (limiting to areas except “Restricted area” designated by the Instruction on March 7, 2013), Okuma-town (limiting to areas except “Restricted area” designated by the Instruction on November 30, 2012), Futaba-town (limiting to areas except “Restricted area” designated by the Instruction on May 7, 2013), Namie-town (limiting to areas except “Restricted area” designated by the Instruction on March 7, 2013), Kawauchi-village (limiting to “Areas to which evacuation orders are ready to be lifted” designated by the Instruction on September 12, 2014), Katsurao-village (limiting to areas except “Restricted

area” designated by the Instruction on March 7, 2013) and Iitate-village (limiting to areas except “Restricted area” designated by the Instruction on June 15, 2012) in 2016; provided, however, that these shall not apply to rice which is controlled under the management policy set by Fukushima prefecture.

15. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any rice produced in Minamisoma-city (limiting to “Areas in which the residents are not permitted to live” and “Areas to which evacuation orders are ready to be lifted” designated by the Instruction on March 30, 2012), Kawamata-town (limiting to “Areas in which the residents are not permitted to live” and “Areas to which evacuation orders are ready to be lifted” designated by the Instruction on August 7, 2013), Tomioka-town (limiting to areas except “Restricted area” designated by the Instruction on March 7, 2013), Okuma-town (limiting to areas except “Restricted area” designated by the Instruction on November 30, 2012), Futaba-town (limiting to areas except “Restricted area” designated by the Instruction on May 7, 2013), Namie-town (limiting to areas except “Restricted area” designated by the Instruction on March 7, 2013), Kawauchi-village (limiting to “Areas to which evacuation orders are ready to be lifted” designated by the Instruction on September 12, 2014), Katsurao-village (limiting to areas except “Restricted area” designated by the Instruction on March 7, 2013) and Iitate-village (limiting to areas except “Restricted area” designated by the Instruction on June 15, 2012) in 2017; provided, however, that these shall not apply to rice which is controlled under the management policy set by Fukushima prefecture.
16. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any rice produced in Kawamata-town (limiting to “Areas in which the residents are not permitted to live” and “Areas to which evacuation orders are ready to be lifted” designated by the Instruction on August 7, 2013), Tomioka-town (limiting to areas except “Restricted area” designated by the Instruction on March 7, 2013), Okuma-town (limiting to areas except “Restricted area” designated by the Instruction on November 30, 2012), Futaba-town (limiting to areas except “Restricted area” designated by the Instruction on May 7, 2013), Namie-town (limiting to areas except “Restricted area” designated by the Instruction on March 7, 2013) in 2018; provided, however, that these shall not apply to rice which is controlled under the management policy set by Fukushima prefecture.
17. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any rice produced in Okuma-town (limiting to areas except “Restricted area” designated by the Instruction on November 30, 2012) and Futaba-town (limiting to areas except “Restricted area” designated by the Instruction on May 7, 2013) in 2019; provided, however, that these shall not apply to rice which is controlled under the management policy set by Fukushima prefecture.
18. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any rice produced in Okuma-town (limiting to areas except “Restricted area” designated by the Instruction on November 30, 2012(excluding areas such restriction on access was eased on March 5,2020)) and Futaba-town (limiting to areas except “Restricted area” designated by the Instruction on May 7, 2013) in 2020; provided, however, that these shall not apply to rice which is controlled under the management policy set by Fukushima prefecture.
19. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any rice produced in Okuma-town (limiting to areas except “Restricted area” designated by the Instruction on November 30, 2012 (excludes “the specified reconstruction and revitalization base area” certified on November 10, 2017)), Futaba-town (limiting to areas except “Restricted area” designated by the Instruction on May 7, 2013 (excludes “the specified reconstruction and revitalization base area” certified on September 15, 2017)), Katsurao-village

(limiting to “the specified reconstruction and revitalization base area” certified on May 11, 2018) in 2021; provided, however, that these shall not apply to rice which is controlled under the management policy set by Fukushima prefecture.

20. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any rice produced in Tomioka-town (limiting to “the specified reconstruction and revitalization base area” certified on March 9, 2018), Okuma-town (limiting to areas except “Restricted area” designated by the Instruction on November 30, 2012 (excludes “the specified reconstruction and revitalization base area” certified on November 10, 2017)), Futaba-town (limiting to areas except “Restricted area” designated by the Instruction on May 7, 2013 (excludes “the specified reconstruction and revitalization base area” certified on September 15, 2017)), Namie-town (limiting to “the specified reconstruction and revitalization base area” certified on December 22, 2017), Katsurao-village (limiting to “the specified reconstruction and revitalization base area” certified on May 11, 2018), Iitate-village (limiting to “the specified reconstruction and revitalization base area” certified on April 20, 2018) in 2022; provided, however, that these shall not apply to rice which is controlled under the management policy set by Fukushima prefecture.
21. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any rice produced in Tomioka-town (limiting to “the specified reconstruction and revitalization base area” certified on March 9, 2018), Okuma-town (limiting to “zone in preparation for the lifting of the evacuation order” designated by the Instruction on November 30, 2012 and “the specified reconstruction and revitalization base area” certified on November 10, 2017), Futaba-town (limiting to areas except “Restricted area” designated by the Instruction on May 7, 2013 (excludes “the specified reconstruction and revitalization base area” certified on September 15, 2017)), Namie-town (limiting to “the specified reconstruction and revitalization base area” certified on December 22, 2017), Katsurao-village (limiting to “the specified reconstruction and revitalization base area” certified on May 11, 2018), Iitate-village (limiting to “the specified reconstruction and revitalization base area” certified on April 20, 2018) in 2023; provided, however, that these shall not apply to rice which is controlled under the management policy set by Fukushima prefecture.
22. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any raw milk produced in Minamisoma-city (limiting to “Restricted area” designated by the Instruction on March 30, 2012), Tomioka-town (limiting to “Restricted area” designated by the Instruction on March 7, 2013), Okuma-town, Futaba-town, Namie-town (limiting to “Restricted area” designated by the Instruction on March 7, 2013), Katsurao-village (limiting to “Restricted area” designated by the Instruction on March 7, 2013) and Iitate-village (limiting to “Restricted area” designated by the Instruction on June 15, 2012) for the time being.
23. Restrictive requirements shall apply to heads of relevant municipalities, food business operators concerned and residents not to consume any log-grown Shiitake (outdoor cultivation) produced in Iitate-village for the time being.
24. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any log-grown Shiitake (outdoor cultivation) produced in Fukushima-city, Nihonmatsu-city, Date-city, Motomiya-city, Soma-city, Minamisoma-city, Tamura-city (limiting to area within 20 km radius from the TEPCO’s Fukushima Daiichi Nuclear Power Plant), Kawamata-town, Namie-town, Futaba-town, Okuma-town, Tomioka-town, Naraha-town, Hirono-town, Iitate-village, Katsurao-village and Kawauchi-village (limiting to area within 20 km radius from the TEPCO’s Fukushima Daiichi Nuclear Power Plant) for the time being.
25. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any log-grown Shiitake (indoor cultivation) produced in Date-city for the time being; provided, however, that these shall not apply to log-grown Shiitakes which are

controlled under the management policy set by Fukushima prefecture.

26. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any log-grown Shiitake (indoor cultivation) produced in Kawamata-town for the time being.
27. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any log-grown pholiota nameko (outdoor cultivation) produced in Soma-city and Iwaki-city for the time being.
28. Restrictive requirements shall apply to heads of relevant municipalities, food business operators concerned and residents not to consume any wild mushroom picked in Minamisoma-city, Iwaki-city and Tanagura-town for the time being, however, these shall not apply to wild mushrooms limiting to Matsutakes, pholiota nameko, honey mushroom and late fall oyster mushroom which are controlled under the policy for shipment and inspection set by Fukushima prefecture.
29. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any wild mushroom picked in Fukushima-city, Nihonmatsu-city, Date-city, Motomiya-city, Koriyama-city, Sukagawa-city, Tamura-city, Shirakawa-city, Kitakata-city, Soma-city, Minamisoma-city, Iwaki-city, Kori-town, Kunimi-town, Kawamata-town, Kagamiishi-town, Ishikawa-town, Asakawa-town, Furudono-town, Miharu-town, Ono-town, Yabuki-town, Tanagura-town, Yamatsuri-town, Hanawa-town, Bandai-town, Inawashiro-town, Aizubange-town, Hirono-town, Naraha-town, Tomioka-town, Okuma-town, Futaba-town, Namie-town, Shinchi-town, Otama-village, Tenei-village, Tamakawa-village, Hirata-village, Nishigo-village, Izumizaki-village, Nakajima-village, Samekawa-village, Kitashiobara-village, Kawauchi-village, Katsurao-village and Iitate-village for the time being, however, these shall not apply to wild mushrooms limiting to Matsutakes, pholiota nameko, honey mushroom and late fall oyster mushroom which are controlled under the policy for shipment and inspection set by Fukushima prefecture.
30. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any wild mushroom picked in Aizuwakamatsu-city for the time being, however, these shall not apply to late fall oyster mushrooms, brick cap mushrooms and wild mushrooms limiting to Matsutakes, pholiota nameko and honey mushroom which are controlled under the policy for shipment and inspection set by Fukushima prefecture.
31. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any wild mushroom picked in Shimogo-town for the time being, however, these shall not apply to late fall oyster mushrooms and wild mushrooms limiting to Matsutakes, pholiota nameko and honey mushroom which are controlled under the policy for shipment and inspection set by Fukushima prefecture.
32. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any wild mushroom picked in Nishiaizu-town for the time being, however, these shall not apply to grifola frondosa (Maitakes), pholiota nameko, late fall oyster mushrooms, brick cap mushrooms and wild mushrooms limiting to Matsutakes and honey mushroom which are controlled under the policy for shipment and inspection set by Fukushima prefecture.
33. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any wild mushroom picked in Aizumisato-town for the time being, however, these shall not apply to pholiota nameko, late fall oyster mushrooms and wild mushrooms limiting to Matsutakes and honey mushroom which are controlled under the policy for shipment and inspection set by Fukushima prefecture.
34. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any wild mushroom picked in Tadami-town for the time being, however, these shall not apply to honey mushrooms, Bunaharitakes, pholiota nameko, late fall oyster mushrooms, brick cap mushrooms, grifola frondosa (Maitakes) and Matsutakes (wild mushrooms)

35. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any wild mushroom picked in Yanaizu-town for the time being, however, these shall not apply to grifola frondosa (Maitakes) and wild mushrooms limiting to Matsutakes, pholiota nameko, honey mushroom and late fall oyster mushroom which are controlled under the policy for shipment and inspection set by Fukushima prefecture.
36. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any wild mushroom picked in Mishima-town for the time being, however, these shall not apply to grifola frondosa (Maitakes) and wild mushrooms limiting to Matsutakes, pholiota nameko, honey mushroom and late fall oyster mushroom which are controlled under the policy for shipment and inspection set by Fukushima prefecture.
37. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any wild mushroom picked in Showa-village for the time being, however, these shall not apply to late fall oyster mushrooms (Mukitakes), grifola frondosa (Maitakes), brick cap mushrooms, pholiota nameko and wild mushrooms limiting to Matsutakes and honey mushroom which are controlled under the policy for shipment and inspection set by Fukushima prefecture.
38. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any bamboo shoot produced in Fukushima-city, Nihonmatsu-city, Date-city, Motomiya-city, Koriyama-city, Sukagawa-city, Tamura-city, Shirakawa-city, Soma-city, Minamisoma-city, Iwaki-city, Kori-town, Kawamata-town, Miharu-town, Hirono-town, Naraha-town, Shinchi-town, Otama-village, Tenei-village, Nishigo-village, Kawauchi-village and Katsurao-village for the time being.
39. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any Wasabi (field cultivation) produced in Date-city, however these shall not apply to Wasabi which are controlled under the management policy set by Fukushima prefecture.
40. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any Wasabi (field cultivation) produced in Kawamata-town (limiting to Yamakiya area), for the time being.
41. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any wild *Aralia cordata* picked in Sukagawa-city, Soma-city, Hirono-town, Naraha-town, Kawauchi-town and Katsurao-village for the time being.
42. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any wild Uwabamisou picked in Kunimi-town for the time being.
43. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any ostrich fern produced in Date-city, Koriyama-city, Tamura-city, Soma-city, Kori-town, Kunimi-town, Kawamata-town, Miharu-town, Hirono-town, Naraha-town and Katsurao-village for the time being.
44. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any wild ostrich fern picked in Fukushima-city, Nihonmatsu-city, Minamisoma-city and Otama-village for the time being.
45. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any Koshiabura produced in Fukushima-city, Nihonmatsu-city, Date-city, Motomiya-city, Koriyama-city, Sukagawa-city, Tamura-city, Shirakawa-city, Aizuwakamatsu-city, Kitakata-city, Soma-city, Minamisoma-city, Iwaki-city, Kori-town, Kunimi-town, Kawamata-town, Kagamiishi-town, Ishikawa-town, Asakawa-town, Furudono-town, Miharu-town, Ono-town, Yabuki-town, Tanagura-town, Yamatsuri-town, Hanawa-town, Bandai-town, Inawashiro-town, Aizubange-town, Yanaizu-town, Mishima-town, Kanayama-town, Aizumisato-town, Shimogo-town, Minamiaizu-town, Hirono-town, Shinchi-town, Otama-village, Tenei-village, Tamakawa-village, Hirata-village, Nishigo-village, Izumizaki-village, Nakajima-village, Samegawa-village,

Kitashiobara-village, Showa-village, Kawauchi-village and Katsurao-village for the time being.

46. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any wild Koshiabura picked in Nishiaizu-town and Tadami-town for the time being.
47. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any Japanese royal fern produced in Nihonmatsu-city, Koriyama-city, Sukagawa-city, Tamura-city, Soma-city, Minamisoma-city, Iwaki-city, Kawamata-town, Naraha-town, Kawauchi-village and Katsurao-village for the time being.
48. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any wild Japanese royal fern picked in Hirono-town and Otama-village for the time being.
