

Ministry of Health and Welfare Ordinance No. 95

According to the provision defined in paragraph 1 of Article 7 of the Food Sanitation Law (Law No. 233), certain parts of the Ministerial Ordinance on Standards for Milk and Dairy Products are hereby amended as follows.

1st May, 2000

Minister for Health and Welfare Yuya Niwa

Ministerial Ordinance for amendment to the “Ministerial Ordinance on Standards for Milk and Dairy Products.

The following phrase is added to after the word “However” of the second sentence of Article 1 of the Ministerial Ordinance:

Standards for Composition and Manufacturing process of Milk and Dairy Products produced by recombinant DNA techniques (a technology that DNA cleaved or recombined by, for example, by enzymes, is transferred to living cells for proliferation)

Note: This English version of the Notice is translated to meet the need of the non-Japanese speaking people. In the case of any discrepancy between the Japanese original and the English translation, the former will take priority.
