(Notes)

1. With enforcement of the long-term care insurance system in April 2000, some of the medical fees that were subject to national health expenditure have been transferred to long-term care insurance fees. They are not included in national health expenditure since FY 2000.
2. Estimation of this table has been made since FY 1962.
3. Drug dispensation medical fee has been established as a separate item since FY 1977. It was included in Non-hospitalization medical fees until FY 1976.
4. Since subjects of health services facility for the aged treatment fee are people who are certification for long-term care need, treatment fee of health services facility for the aged is not included in national health expenditure since FY 2000.
5. Estimated amounts of co-payment from FY 1996 to FY 2002 have been corrected. Hence figures here are different from those in annual reports.
6. Until FY 2005, "Inpatient Dietetic medical fee" (Total amount of Inpatient dietetic treatment fee and standard cost-bearing) From FY 2006, total of Inpatient dietetic treatment fee, Standard cost-bearing of dietetic treatment, Inpatient life treatment fee and standard cost-bearing of life treatment fee.
