Minobu-shinkeien	65	33
Tairoen	85	53
(Sub) Total	340	159
Total	9,340	8,510

Note:

A: We had other 3 Leprosaria in Okinawa Pref. before the outbreak of the war. They are: (1) Kunigami-Koraku-en (Capacity 450), (2) Miyako-Nasei-en (Capacity 300) (3) Amami-Wako-en (capacity 100).

B: Leprosaria have not examined out-patients but sometimes lead them as for medical treatment.
