MALAYSIA'S COMMITMENT FOR THE RIGHTS OF PWDS

ECONOMIC EMPOWERMENT PROGRAMME (EEP) AT CBR CENTER - BEST PRACTICE

CBR Community-Based Rehabilitation Centre

Numbers of CBR **565**

CBR "One Stop Centre" is a "Focal Point" because it's a program that uses an integrated communities approach in every region and state.

Through CBR "One Stop Centre", services to the disabled will be available in one place to facilitate them and the local community to get information, advice and current requirements as well as appropriate training.

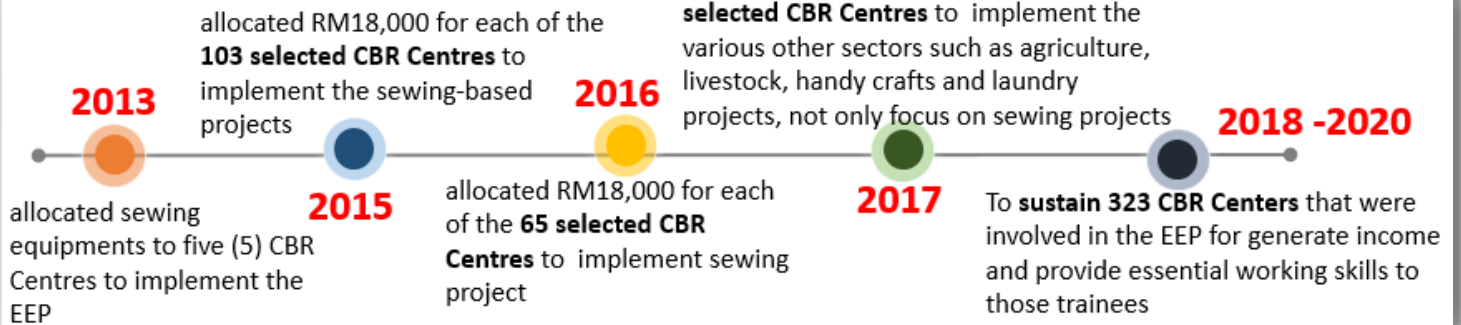

CONCEPT - adopting sheltered-workshop

OBJECTIVE - to prepare those trainees towards:

- ❖ employment ready,
- ❖ better interpersonal communication skills
- ❖ social life experience

OUTCOME - Empowering Persons with Disabilities to be self-reliant

Success Story @

FINANCIAL ASSISTANCE

- DSW has implemented financial assistance schemes to help the poor families, older persons and person with disabilities.
- The purpose of financial assistance schemes are as follows:-
 - As an income maintenance for the poor and needy family to fulfill their basic needs.
 - To encourage the productive target groups to work and live independently.
 - To improve the quality of life of target groups for a better living.
- **Types of financial assistance-**
Assistance for the Children (BKK), Allowance for Working PWDs (EPC), Assistance for PWDs those unfit / unable to work (BTB), Assistance for those severely disabled / chronic illness (BPT); Assistance for Supportive Equipment / Assistive Devices.

National Economic Regeneration Plan (PENJANA)

- Aims to reduce the burden of TASKA (Child Care Centres) operators during the MCO Rehabilitation period.
- This Special Assistance of RM 1,500 given for Nurseries at Home and RM5,000 for (Institutional & Workplace Child Care Centers) those registered with DSW.
- A total of 2631 Child Care Centres have benefited with a total allocation of RM12 millions.

CARE CENTRE

- Government assistance through Treasury Special Assistance Grant (BKP) which distributed to the NGOs for the implementation of programs for the clients or DSW target groups.
- Financial assistance is distributed to encourage the participation and involvement of NGOs in welfare service programs. Also as a partner of the Ministry in providing the best welfare services to the community in need.
- A total of 1,766 Care Centres have been established until August 2020 and 192 of those are for the PWDs.

PWDS EDUCATION

Learning from home is offered for PWDs at pre-school, primary, secondary and post-secondary levels:

- Special Education School
- Integrated Special Education Programme
- Inclusive Education Programme
