

Three pillars with the theme of “Working together for a healthier future”

1. Develop and strengthen **global health architecture for public health emergencies**
2. Contribute to achieving more resilient, equitable and sustainable **universal health coverage** through strengthening health systems
3. Promote **health innovation** to address various health challenges

■ ■ ■ Main outcomes of G7 Health Ministers' Meeting in Nagasaki ■ ■ ■

- **UHC**: Release “**G7 Global Plan for UHC Action Agenda**”, laying out important elements for promoting UHC and describing what actions the G7 intends to support to achieve UHC all over the world, according to “UHC Action Agenda” by UHC2030, and work towards achieving meaningful outcomes of the United Nations General Assembly High-Level Meetings on UHC, pandemic PPR and tuberculosis in 2023.
- **MCM***: Commit to supporting the development of an **MCM delivery partnership** for equitable access, prioritizing equity, inclusivity, efficiency, affordability, quality, accountability, agility, and speed. (*medical countermeasure)
- **AMR**: Commit to exploring and implementing **push and pull incentives** to promote investment in R&D of antimicrobials. Plan to hold a **high-level technical meeting of One Health** in 2023.
- **IHR amendment & WHO CA+**: Recognize the importance of strengthening international norms and regulations for **pandemic prevention, preparedness and response** with shared directions such as sharing data and One Health approach.
- **Finance-Health Coordination**: Reaffirm strengthening collaboration between Finance and Health Ministries for pandemic PPR, and highlight the need for exploring “**surge financing**” for pandemic response.
