## INTRODUCTION TO THE SOCIAL SECURITY CONCEPT AND RETIREMENT PLANNING

- To introduce the concept of Social Security and retirement planning early on in a child's education.
- To share and communicate with your children about Social security, Social insurance, Social welfare, Public assistance, Health care and Public health, etc.
- This can be provided through age-appropriate books, booklets, and awareness activities that teach basic knowledge of social security.

## UNDERSTANDING ABOUT SOCIAL SECURITY

We have to teach and help youths to understand:

What is it,

How social security works,

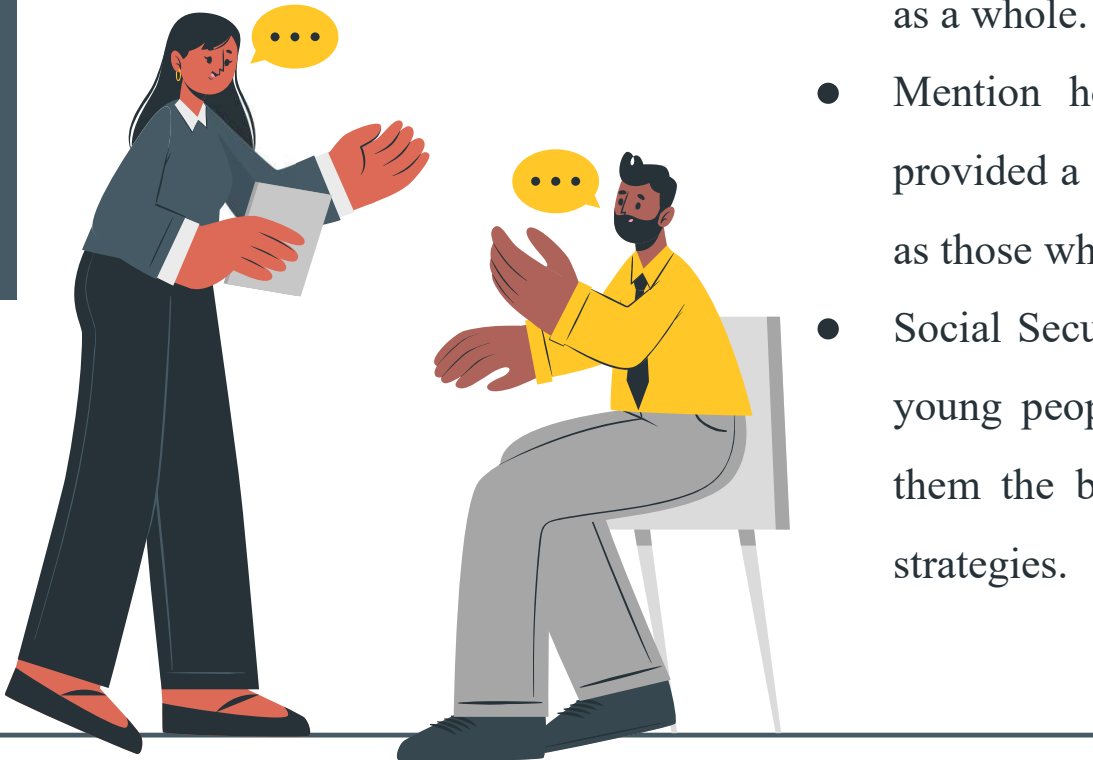

Why it is important,

How they contribute to the Social Security System.

## THE EFFECT OF SOCIAL SECURITY

- Discuss the effect of Social Security on individuals and society as a whole.
- Mention how it has supported to reduce social issues and provided a safety net for millions of people in retirement, as well as those who are disabled or have lost a breadwinner.
- Social Security is only one part of a retirement plan. Encourage young people to start saving early for retirement, and educate them the benefits of social security and long-term investment strategies.

# FUTURE OF SOCIAL SECURITY

- Discuss the challenges facing Social Security, including the aging population, rising healthcare costs, coverage gap, health and long-term care, technical transition, and the digital economy, Less of social services volunteers in todays.
- Need To assign the new generation to Field Visit and research at the social service sector such as Day Care Center for Aged, Nursing Home and Public Hospital.

## WHAT WE WANT TO SHARE IN THIS MEETING

- The curriculum in education needs to be expanded to make the elderly people living situation and social security more friendly.

## MAIN TASKS OF SOCIAL SECURITY BOARD UNDER MINISTRY OF LABOUR

- Establishing areas covering the Social Security Scheme in accordance with the Social Security Law, 2012
- Registration on insured establishments and workers and Collecting the contributions
- Issuing Cash Benefits and other benefits
- Medical Care for Insured workers
- Raising health care awareness and social security scheme awareness among workers and employers from insured establishments

## NATIONAL SOCIAL PROTECTION STRATEGIC PLAN

- In 30th December 2014 , the National Social Protection Strategic Plan (NSPSP) has been developed by the Department of Social Welfare under the Ministry of Social Welfare, Relief and Resettlement.
- There are eight flagship programs in NSPSP. Among them, the Maternal and Child Cash Transfer Program (MCCT) and the Social Pension Program are being implemented.
  - MCCT Program has been implemented in 7 States and Regions for the beneficiaries with the benefit amount of 15,000/-MMK per month.
  - Social Pension Program has been implemented on a nationwide for the beneficiaries who are aged at 85 and above with the benefit amount of 10000/- MMK per month.

### Challenges

The NSPSP program would be more convenient if awareness process were held in villages rather than urban areas so that health and social services can be more accessible and effective for the beneficiaries from Regions and States.

## AWARENESS-RAISING ACTIVITIES PERFORMED BY SSB

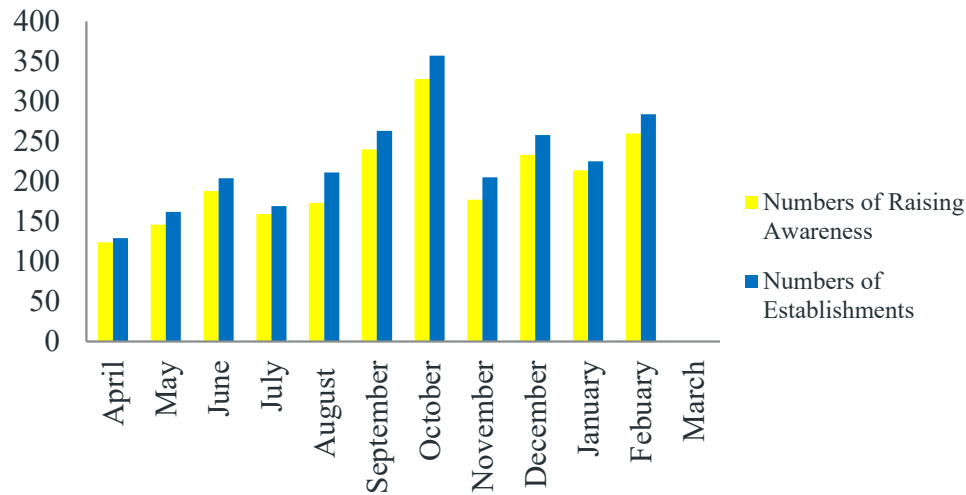

- Raising awareness among workers and employers on their social security rights and obligations is an essential role for the SSB.
- To achieve this, the SSB is undertaking various initiatives such as sharing knowledge about the Social Security Scheme through academic trainings, raising awareness to employers and employees from factories, providing resources such as government websites, social security applications, social media, and social security booklets.

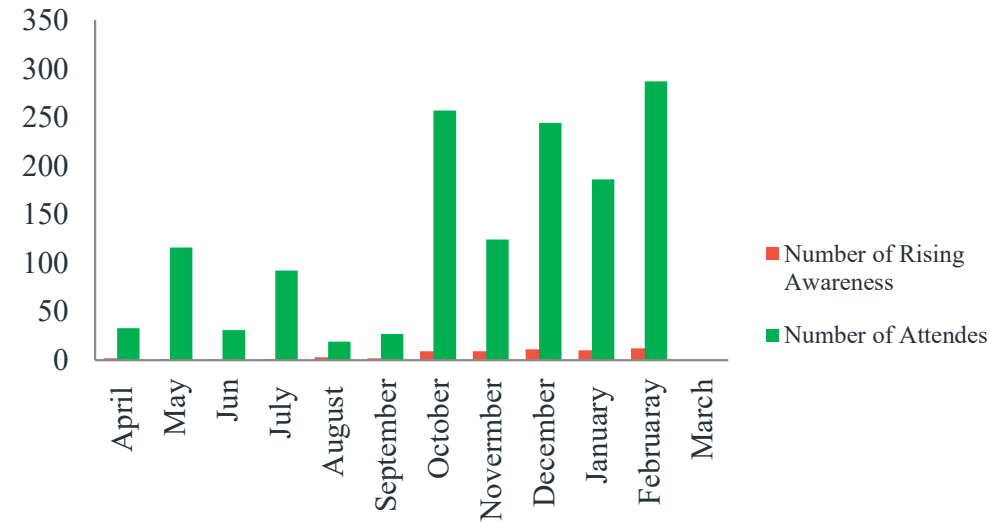

## AWARENESS-RAISING ACTIVITIES PERFORMED BY SSB

### Social Security Scheme Awareness (2022-2023 Fiscal Year)

### Health Care Awareness (2022-2023 Fiscal Year)
