“Coughing manners”

The basic measures against infectious disease, as well as the novel coronavirus, are **washing hands** and "coughing manners" including wearing a mask.

- In order not to transmit viruses to others.

It is possible that the droplets ejected when you cough or sneeze may contain viruses. Please observe the following “coughing manners”.

- **Wear a mask.**
- **Cover your mouth and nose with a tissue etc.**
- **If you suddenly sneeze or cough do so into your elbow or inside your jacket.**
- **Keep as far away as possible from other people.**

"Coughing manners"

Three “coughing manners”

1. Coughing or sneezing without shielding your mouth or nose.
2. Using your hands to cover coughs or sneezing.
3. Wear your mask, covering mouth and nose.

Correct way to wear a mask.

1. Ensure both your nose and mouth are covered.
2. Place the rubber string over your ears.
3. Cover up to your nose so there are no gaps.

- Observe the manners on a train, at work, school or wherever people gather.

- If you don't have a mask.
- Sudden sneezes or coughs.
