This office has on file a notarized affidavit from _____
[name of exporter] verifying the accuracy of the statements below. I, the endorsing official listed below, have read the notarized affidavit referenced above, and to the best of my knowledge and belief these statements are true.

1. The rodent tissues/carcasses were immersed in a formaldehyde solution with a concentration of at least 3.5% by weight or an ethanol solution with a concentration of at least 70% by weight such that the solution penetrated to the center of the tissues/carcasses.
2. The rodent tissues/carcasses were placed in sealed containers designed to minimize entry of gases or microorganisms under daily handling or normal storage conditions.
