

Table 1: Trends in number of recipients

(Unit: thousand persons)

|  | FY2007   | FY2008   | FY2009   | FY2010   |                |
|--|----------|----------|----------|----------|----------------|
|  |          |          |          |          | on year change |
| Annual cumulative number of recipients | 43 827.8 | 45 331.4 | 47 182.8 | 49 272.8 | 2 090.0        |
| Annual number of recipients            | 4 370.4  | 4 516.4  | 4 687.1  | 4 928.2  | 241.2          |

- Note: 1) "Annual cumulative number of recipients" for each fiscal year are the sum of recipients of preventive long-term care service or long-term care service in each assessed month from May of said year to April of the next year.
- 2) "Annual number of recipients" for each fiscal year are the number of recipients of preventive long-term care services or long-term care in each month of service provided from April of said year to March of the next year after aggregation of names. Where the insured reference number changes during said period, the new number is counted as a separate recipient.

Table2-1: Number of recipients by type of service

Preventive long-term care service

(Unit: thousand persons)

|  | Annual cumulative number of recipients |         |                | Annual number of recipients |         |                |
|--|--|---------|----------------|-----------------------------|---------|----------------|
|  | FY2010                                 | FY2009  | On-year change | FY2010                      | FY2009  | On-year change |
| Total  | 10 423.2                               | 9 973.1 | 450.1          | 1 219.1                     | 1 126.9 | 92.2           |
