

## Silver Plaza Umewaka

Silver Plaza Umewaka is a complex facility for elderly people, not only for variety of services which help them stay and conduct a daily life at home. It offers places for gathering and events, day care services, counseling, etc.

### Community Care Support Center/ Assistive Devices Exhibition Room

The Community Care Support Center provides public consultation services for the comprehensive support of elderly individuals living in the community. The consultation services are provided by consultation teams made up of a chief care manager, social workers, public health nurses, and other specialists to cover those individuals' wide needs, including long-term care, health and welfare service.

As a part of the support system for the elderly, the "Assistive Devices Exhibition Room in Silver Plaza Umewaka" features approximately 400 items of assistive devices, including wheelchairs, walkers, special beds, bathing goods, portable toilets, lifts, canes, tableware, and more. Staff provides detailed explanations of equipment use and application in nursing care. Umewaka also lends out equipment for trial use.
