- 2017 to 3<sup>rd</sup> quarter of 2019: 10,356 senior citizens were assisted.
- 58% or 5,973 beneficiaries were women

## Challenges

- Availability of comprehensive and unified database on older persons as basis for the provision of services
- Harmonizing existing IT programs / systems
- The Data Privacy Act gives additional layer to access data / information sharing among agencies
- Establishing nationwide seamless health and welfare services due to cultural / political difference in newly created autonomous region (BARMM)
- Access in Geographically Isolated and Disadvantaged Area (GIDA)

### Priority Legislative Agenda to Institutionalize Care Needs

# **Moving Forward**

- Long-Term Care Act. Seeks to go beyond healthcare needs, but to a National Long Term Care Program Framework which addresses the needs of older people.
- Family Care Act. It aims to measure is a laudable act which seeks to bring back equality and justice to family caregivers.
- Anti-Senior Citizens Abuse Act. The proposal aims to finally define and penalize elder abuse for the unique offense that it is, in the same tradition as other types of domestic violence like those against women and children
- Full implementation of the Universal Health Care in 2019
- Operationalization of the Republic Act 11350 An Act Creating the National Commission of Senior Citizens
