To Press and those who may concern,

Cancellation of Instruction to restrict distribution based on the Act on Special Measures Concerning Nuclear Emergency Preparedness, direction of Director-General of the Nuclear Emergency Response Headquarters

Today, based on the results of inspections conducted until yesterday, the Nuclear Emergency Response Headquarters has cancelled its Instruction of restriction of distribution of Stone flounder, Black cow-tongue and Black rockfish captured in Fukushima offshore for Governor of Fukushima.

1. With regard to Fukushima prefecture, the restriction of distribution of Stone flounder, Black cow-tongue and Black rockfish captured in Fukushima offshore is cancelled today.
 - (1) The Instruction of the Nuclear Emergency Response Headquarters is attached as attachment 1.
 - (2) The application of Fukushima is attached as attachment 2.

2. The list of Instructions on the restriction of distribution and/or consumption of food concerned in accordance with the Act on Special Measures Concerning Nuclear Emergency Preparedness is attached as reference.

Reference: omitted

Attachment 2: omitted

(Attachment 1)

Instruction

January 17, 2017

From Director-General of the Nuclear Emergency Response Headquarters
To Governor of Fukushima Prefecture,

The Instruction to the Prefecture on December 26, 2016 based on the Article 20.2 of the Act on Special Measures Concerning Nuclear Emergency Preparedness (Act No. 156, 1999) shall be changed as follows.

1. Restrictive requirements shall apply to heads of relevant municipalities, food business operators concerned and residents not to consume and distribute any non-head type leafy vegetables produced in Minamisoma-shi (limiting "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on March 30, 2012), Tomioka-machi, Okuma-machi, Futaba-machi, Namie-machi, Katsurao-mura (limiting "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on March 30, 2012) and Iitate-mura, for the time being.
2. Restrictive requirements shall apply to heads of relevant municipalities, food business operators concerned and residents not to consume and distribute any head type leafy vegetables produced in Minamisoma-shi (limiting "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on March 30, 2012), Tomioka-machi, Okuma-machi, Futaba-machi, Namie-machi, Katsurao-mura (limiting "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on March 30, 2012) and Iitate-mura, for the time being.
3. Restrictive requirements shall apply to heads of relevant municipalities, food business operators concerned and residents not to consume and distribute any flowerhead brassicas produced in Minamisoma-shi (limiting "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on March 30, 2012), Tomioka-machi, Okuma-machi, Futaba-machi, Namie-machi, Katsurao-mura (limiting areas except "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on March 30, 2012) and Iitate-mura, for the time being.
4. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any Turnips produced in Minamisoma-shi (limiting areas except "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on March 30, 2012), Tomioka-machi, Okuma-machi, Futaba-machi, Namie-machi, Katsurao-mura (limiting "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on March 30, 2012) and Iitate-mura, for the time being.
5. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any Japanese apricot (Ume) produced in Minamisoma-shi (limiting area within 20 km radius from the TEPCO's Fukushima Daiichi Nuclear Power Plant and

Planned Evacuation Zones) for the time being.

6. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any Yuzus produced in Fukushima-shi, Date-shi, and Minamisoma-shi for the time being.
7. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any Chestnuts produced in Date-shi and Minamisoma-shi for the time being.
8. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any Kiwi fruits produced in Minamisoma-shi (limiting area within 20 km radius from the TEPCO's Fukushima Daiichi Nuclear Power Plant and Planned Evacuation Zone) for the time being.
9. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any rice produced in Fukushima-shi (limiting former Fukushima-shi and former Oguni-mura area), Nihonmatsu-shi (limiting former Shibukawa-mura area) and Date-shi (limiting former Sekimoto-mura, former Hashirazawa-mura, former Tominari-mura, former Kakeda-machi, former Oguni-mura and former Tsukidate-machi area) in 2011, for the time being.
10. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any rice produced in areas subjected to restriction of distribution in advance in 2012 (including Koriyama-shi (limiting to former Fukuyama-machi), Sukagawa-shi (limiting to former Nishifukuro-mura), Miharu-machi (limiting to former Sawaishi-mura), Otama-mura (limiting to former Tamanoi-mura), Fukushima-shi (limiting to former Mizuhara-mura and Tatsugoyama-mura), Iwaki-shi (limiting to former Yamada-mura) and Kawamata-machi (limiting to former Iizaka-mura)), for the time being; provided, however, that this shall not apply to rice produced in 2012, which is controlled under the management policy set by Fukushima prefecture.
11. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any rice produced in areas preparing for resumption of rice farming and areas where all rice farming and shipment are managed by local governments in 2013; provided, however, that this shall not apply to rice which is controlled under the management policy set by Fukushima prefecture.
12. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any rice produced in Minamisoma-shi (limiting areas except "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on March 30 2012), Kawamata-machi (limiting "Areas in which the residents are not permitted to live" and "areas to which evacuation orders are ready to be lifted" designated by the Instruction on August 7 2013), Naraha-machi, Tomioka-machi (limiting areas except "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on March 7 2013), Okuma-machi (limiting areas except "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on November 30 2012), Futaba-machi (limiting areas except "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on May 7 2013), Namie-machi (limiting areas except "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on March 7 2013), Kawauchi-mura (limiting "Areas in which the residents are not permitted to live" and "Areas to which evacuation orders are ready to be lifted" designated by the Instruction on March 30 2012), Katsurao-mura (limiting areas except "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on March 7 2013) and Iitate-mura

(limiting areas except "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on June 15 2012) in 2014; provided, however, that this shall not apply to rice which is controlled under the management policy set by Fukushima prefecture.

13. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any rice produced in Minamisoma-shi (limiting "areas in which the residents are not permitted to live" and "areas to which evacuation orders are ready to be lifted" designated by the Instruction on March 30, 2012), Kawamata-machi (limiting "Areas in which the residents are not permitted to live" and "areas to which evacuation orders are ready to be lifted" designated by the Instruction on August 7, 2013), Naraha-machi, Tomioka-machi (limiting areas except "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on March 7, 2013), Okuma-machi (limiting areas except "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on November 30, 2012), Futaba-machi (limiting areas except "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on May 7, 2013), Namie-machi (limiting areas except "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on March 7, 2013), Kawauchi-mura (limiting "Areas in which the residents are not permitted to live" and "Areas to which evacuation orders are ready to be lifted" designated by the Instruction on March 30, 2012), Katsurao-mura (limiting areas except "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on March 7, 2013) and Iitate-mura (limiting areas except "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on June 15, 2012) in 2015; provided, however, that this shall not apply to rice which is controlled under the management policy set by Fukushima prefecture.
14. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any rice produced in Minamisoma-shi (limiting "areas in which the residents are not permitted to live" and "areas to which evacuation orders are ready to be lifted" designated by the Instruction on on March 30, 2012), Kawamata-machi (limiting "areas in which the residents are not permitted to live" and "areas to which evacuation orders are ready to be lifted" designated by the Instruction on August 7, 2013), Naraha-machi, Tomioka-machi (limiting areas except "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on March 7, 2013), Okuma-machi (limiting areas except "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on November 30, 2012), Futaba-machi (limiting areas except "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on May 7, 2013), Namie-machi (limiting areas except "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on March 7, 2013), Kawauchi-mura (limiting "Areas to which evacuation orders are ready to be lifted" designated by the Instruction on September 12, 2014), Katsurao-mura (limiting areas except "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on March 7, 2013) and Iitate-mura (limiting areas except "areas where it is expected that the residents have difficulties in returning for a long time" designated by the Instruction on June 15, 2012) in 2016; provided, however, that this shall not apply to rice which is controlled under the management policy set by Fukushima prefecture.
15. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute raw milk produced in Minamisoma-shi (limiting "areas where it is expected that the residents have difficulties in returning for a long time" designated by the

Instruction on March 30, 2012), Kawamata-machi (limiting Yamakiya area), Tomioka-machi, Okuma-machi, Futaba-machi, Namie-machi, Katsurao-mura (limiting “areas where it is expected that the residents have difficulties in returning for a long time” designated by the Instruction on March 7, 2013) and Iitate-mura for the time being.

16. Restrictive requirements shall apply to heads of relevant municipalities, food business operators concerned and residents not to consume any log-grown Shiitakes (outdoor cultivation) produced in Iitate-mura for the time being.
17. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any log-grown Shiitakes (outdoor cultivation) produced in Fukushima-shi, Nihonmatsu-shi, Date-shi, Motomiya-shi, Soma-shi, Minamisoma-shi, Tamura-shi (limiting area within 20 km radius from the TEPCO’s Fukushima Daiichi Nuclear Power Plant), Kawamata-machi, Namie-machi, Futaba-machi, Okuma-machi, Tomioka-machi, Naraha-machi, Hirono-machi, Iitate-mura, Katsurao-mura and Kawauchi-mura (limiting area within 20 km radius from the TEPCO’s Fukushima Daiichi Nuclear Power Plant) for the time being.
18. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any log-grown Shiitakes (indoor cultivation) produced in Date-shi for the time being; provided, however, that this shall not apply to log-grown Shiitakes which is controlled under the management policy set by Fukushima prefecture.
19. Restrictive requirements shall apply to heads of relevant municipalities and food business operators concerned not to distribute any log-grown Shiitakes (indoor cultivation) produced in Kawamata-machi for the time being.
