12 December 2011

Professor Yasuo Suwa
Chair
Labor Policy Council

Re: "Outline of the Draft Ministerial Ordinance on Prevention of Ionizing Radiation Hazards at Works to Decontaminate Soil and Wastes Contaminated by Radioactive Materials Resulting from the Great East Japan Earthquake and Related Works"

Please find the recommendation below from the Committee on the Occupational Safety and Health regarding the aforementioned topic in which the Labor Policy Council received as a request for consultation with the MHLW notification No.1212-2 as of 12 December 2011.

Recommendation

We find that the draft ordinance prepared by the Ministry of Health, Labour and Welfare is reasonable.

Yasuharu Aizawa
Chair
Committee on Occupational Safety and Health
