Chair
Labor Policy Council

Re: “Outline of the proposed ministerial ordinance for abolishing the Ordinance on Prevention of Ionizing Radiation Hazards at Works, etc to Decontaminate Soil and Wastes Contaminated by Radioactive Materials Resulting from the Great East Japan Earthquake and Related Works”

Please find below the findings in the committee regarding the aforementioned issue which the Labour Policy Council received with a request for consultation in the MHLW notification No. 0529-1 dated 29 May 2012.

Findings

We find that the proposed ordinance prepared by the Ministry of Health, Labour, and Welfare is reasonable.

Yasuharu Aizawa
Chair,
Safety and Health Subcommittee
