

Changes in Yearly Hours Worked (establishments with 30 employees or more)

Source: "Monthly Labour Survey", Statistics and Information Department, Minister's Secretariat, MHLW

Note: 1. The figures have been calculated by multiplying an average monthly value in FY by 12 and by rounded off.

2. Figures for annual non-schedule hours worked were calculated by subtracting annual scheduled hours worked from annual total hours worked.

3. The figures before FY 1983 were calculated by adding monthly figures.
