

A local youth support station business

《Point and purpose》

It is necessary to respond accordingly to individual status with individual, continuous, inclusive support the independence of the young person such as NEET. Therefore, the promotion of the approach of the independence support of the young person such as NEET is attempted by constructing the young person independence support network by regional guidance, and supporting development and strengthening "Regional young person support station I" that becomes a base on the network.

- "A local youth support station" are established to support the independence of the job-hopping part-timer by collaboration with the local government (Commonly known as Saposute).
(FY 2006: 25 places→FY2007: 50→FY2008:77→FY2009:92)
- The professional consultation for youth people situation, appropriate instruction to each support organization as the core of the network in the local area
 - ※The number of the people visited office: 35,179 people (FY2006) 144,171 people (FY 2007), 202,112 people (FY 2008)
 - ※The ratio of employed people who used employment course after 6 months: 26.2% (FY 2006), 26.8% (FY 2007), 28.0% (first half of FY2008)

《A 2009 business plan (A summary)》

① A network business

To construct the network of a related organization in the region, and to attempt the person's for support grasp and fine correspondence according to the situation, the conference by a related organization is held.

② A Consultation support business (Expansion)

Consistent support is done from the consultation at first to the independence support to the person for support. Moreover, an unified following of the support situation etc. is done so that the network of the young person support organization by the region may be used, and the necessary assistance may receive it continuously (A human system is expanded).

③ Support model business everywhere (New)

The network with the educational institution etc. is strengthened, and "Anytime and anywhere support model business" that actively does the appeal etc. to the young person and the guardian is executed in the model with "saposute" in 20 places.
