Detailed Information 4 Procedures for Using the System

1. Municipalities are responsible for certification of long-term care and support needs based on the evaluation results by the Certification Committee for Long-term Care Need

The Certification Committee for Long-term Care Need is responsible for the evaluation and judgement based on investigation results of the insured's mental and physical conditions and on family doctors' letters of opinions (evaluation and judgement can be entrusted to prefectures)

* The nationally uniform criteria for long-term care need certification are established objectively.

› Benefits according to the levels of long-term care need are set (benefit limit standard amounts are set for in-home care)

- Benefit limits for in-home care benefits are approximately ¥50,000 to ¥358,000 per month according to the levels of long-term care need (7 levels including the levels of support need)

(Benefit limit standard amounts for in-home services)

Level of long-term care need	Benefit limit standard amounts
Requiring support 1	4,970 units/month
Requiring support 2	10,400 units/month
Requiring long-term care 1	16,580 units/month
Requiring long-term care 2	19,480 units/month
Requiring long-term care 3	26,750 units/month
Requiring long-term care 4	30,600 units/month
Requiring long-term care 5	35,830 units/month

* 1 unit: ¥10 to ¥11.05 (subject to regions and service types)

- Benefits amounts are set also for facility benefits by facility type, according to the levels of long-term care need

2. To provide comprehensive and systematic services suitable for the needs of users, it is fundamental to prepare long-term case service plans (care plans)
