

Social Security Benefits and Burdens

Overview

Scope on Social Security Benefits and Burdens (Estimated in May 2006)

- (Note) 1. The figures in the front chart reflected the impact of Public Pension system reform in 2004, Long-Term Insurance system reform in 2005, and Health Care system reform proposal in 2006 (reforms reflected).
 The figures in the rear chart assumed that these reforms did not take place (before reform).
 2. The figures for public fund assumed that the percentage of state subsidy for Basic Pension is raised to 50% in FY2009.
