

# Visitation

## (Visiting hours:)

Weekdays: From (        :        ) to (        :        )

Saturdays, Sundays, and holidays: From (        :        ) to (        :        )

## (During visitation, please observe the following rules:)

- Please comply with the visiting hours above to avoid disturbing the patient's rest and/or treatment.
- Please understand that visits may be restricted, depending on the patient's condition.
- Please avoid bringing young children or coming in large groups, because such visits may disturb the patient's rest and cause inconvenience to other patients.
- Do not eat or drink in the hospital ward during visits.
- Visitation while under the influence of alcohol are prohibited.
- We do not discuss patients' conditions with anyone other than family members and other designated representatives. We also do not discuss the patient's condition over the phone. Please be aware of this.

## (Request)

Please do not visit patients if you are experiencing the symptoms of an illness, even if only slightly, such as a fever, sore throat, or physical weariness.
