

# Overview

## Scope on Social Security Benefits and Burdens (Estimated in May 2006)

Note: 1. The front graph includes the effect of 2004 Public Pension System Reform, 2005 Long-Term Insurance System Reform, and 2006 Health Care System Reform Proposal. The rear graph shows the case where the reforms were not initiated. (Before reforms)  
 2. Public fund in the graph presumes that the percentage of the Burden Bearing of National Treasury for Basic Pension is pulled up to 50% by FY 2009.
