Notes: 1. The FY 1987 figures for Mutual Aid associations as well as those of ex-public corporations include the figures of public service and occupational beneficiaries.

2. Figures in <> represent the numbers when a person receiving both Employees' Pension and Basic Pension benefits (same pension category) is counted as one beneficiary.

3. The figures for Mutual Aid associations represent numbers of beneficiaries.

4. Seamen's Insurance (pursuant to the new law) is excluded.
